Change of Dovre Group's Head of Consulting

On June 17, 2011, Dovre Group announced the appointment of Therese Hindman Persson as Executive Vice President, Consulting division, effective as of September 2011. Unfortunately, Mrs Hindman Persson has decided that she will not be able to assume the position.

Dovre Group appointed Mrs Hindman Persson to lead the Group's Consulting division with specific focus on developing the Group's consulting business in the energy sector, one of the elements of the Group's growth strategy announced in February 2011. The Group's strategy remains valid, and we will immediately start searching for a new Head of Consulting. The focus of the role remains the same. In the meantime, the company CEO will act as Head of Consulting.
